“So That’s What Wisdom Is” James 3:13-18

1. Just for fun: Were you one of the “smart” kids in school? Did you have to work hard for the grades you received or did they come pretty naturally?
2. How would you describe the difference between worldly wisdom and Godly wisdom?
3. In what 3 ways does James describe wisdom that doesn’t come from heaven? How does each one describe a different aspect of worldly wisdom?
4. What are some examples of what happens when man follows his own wisdom and not God’s? (Try to think of both Biblical examples and examples from today)
5. How can you tell when God’s wisdom is at work?
6. Looking over the Good wisdom list, which one(s) do you think you are the strongest at?
7. Looking at the bad wisdom list which one(s) are you tempted to listen to?
8. What are some ways to measure which wisdom is prevailing in your life?
